

# Blessings for the New Year

- I deserve to live a magical life
- This year I choose me
- I have the ability to create the life that I want
- I am unstoppable
- I will enjoy my life each day
- I will end each day with a grateful heart
- This year I will be true to myself
- I choose kindness and happiness
- I am ready for new opportunities to come to me
- I accept goodness in my life

**Live your magic every day,**
